

Connecting With The Community

Since 1934, Cinfed has been part of the Greater Cincinnati community.

Over the past 90 years, we've gotten to know the people and neighborhoods across southwestern Ohio, northern Kentucky, and southeastern Indiana — because it's home for us.

To keep those connections strong, we make sure to see our members, neighbors, and friends at events throughout the Tri-state. Over the past several months, you may have seen us at:

- Xavier University
- Hamilton County Administration Building (with Travelin Tom's Coffee!)
- Ft. Wright Elementary School
- Coffee With The Chiefs — Colerain Chamber of Commerce

A new initiative called **'Pay It Forward'** gives our employees even more opportunities to support community organizations and make this an even better place to live, work, and raise a family.

When we're actively involved with local communities, we better understand how to answer our members' needs and exceed their expectations. With our deep roots in the TriState, **you know we'll always make decisions with local in mind.**

We're excited to share Cinfed has secured a new partnership with Kona Ice of Northern Kentucky, including Travelin Tom's Coffee & Beverly Ann's Cookies. Look for their food & beverage trucks at events throughout the region!
