

# Construction Loan Draw Schedule Example

Re:

| #                 | Work Completed | Amount | Percent |
|-------------------|----------------|--------|---------|
|                   |                |        |         |
|                   |                |        |         |
|                   |                |        |         |
|                   |                |        |         |
|                   |                |        |         |
|                   |                |        |         |
| Total Draw Amount |                |        |         |
